

Did You Know?

There's a lot you probably don't know. But did you know there are [4 different Time magazine covers for 4 regions in the world](#)? And did you know that advertising for drugs on TV is only legal in the United States and UK? See [here](#). And did you know most of the processed [GMO foods sold in the United States are illegal in Europe](#)?

[Join Global Intel Hub](#) not only for learning, but to know what you need to know.
